

The Hon Kevin Rudd MP
Prime Minister
Parliament House
CANBERRA ACT 2600

Mr Rudd,

I want to live in a country that treats animals with compassion.

Prime Minister, can you guarantee that Australian animals will never again be subjected to terrible abuse in the live export trade? If you can't, then I urge you to end live export.

Young Australians, like me, care about animals and we're counting on you to make Australia a more compassionate country for future generations.

I look forward to your response.

Regards,
